

FUNHOUSE Addendum

Your FUNHOUSE Manual shows the sound system as composing of the following parts:

A-12738-50003 Sound Board 5795-12653-11 Ribbon Cable

5610-12718-00 Transformer

The FUNHOUSE that you have is a pre-production model. Your sound system is composed of these parts:

A-13502 Sound Interface Board 5795-12652-03 Ribbon Cable

A-13971-50003 Sound Board 5795-12653-03 Ribbon Cable

5610-12425-00 Transformer

A-14268 Volume Control Cable Assembly

H-13674 Sound Board Interface Cable

The sound boards, the sound ROMs, and the transformers are NOT interchangeable. Incorrect use may damage boards.

A-13502 Sound Interface Board
